Life in the SPA

Precaution

Access for children under 15y.o is not recommended, however it is allowed in the presence of an adult, in the respect of the tranquility of the place. Directors decline all responsibility in case of loss or theft of your personal effects and valuables. We recommend that you leave them in the closed individual lockers provided for this purpose in the cloakroom. However, we advise you not to bring valuables (phone, camera, jewelry..). Wearing jewellery and/or glasses is prohibited in the sauna and hammam. Any intentional damage or damage caused by improper use of the devices is the responsibility of the author.

Arrival

Any delay for the treatment will reduce the duration of your treatment out of respect for the following customers. We therefore ask you to arrive at the hotel reception 15 minutes before your treatment. The entrance to the spa is secured by a code, so we invite you to request it upon arrival at the hotel reception. The Spa or hotel will provide you with bathrobe, towel and slippers. Showers are at your disposal and a cloakroom in the relaxation area. We kindly ask you to bring a swimsuit to access the Spa (for you gentlemen, briefs or boxer mandatory).

Booking

When booking a treatment, you will be asked for your credit card number. Communicating this guarantees your reservation and commits you to O'Val Spa to respect the cancellation terms.

Cancellation

We inform our customers that cancellations of treatments must be made at least 48 hours in advance (or 3 hours for hotel guests). In case of failure to respect with these deadlines, the entire treatment will be charged to you.

Treatment

Minors must be accompanied by a responsible adult. Swimsuit is mandatory for access to the Spa. Gentlemen, we recommend that you shave at least one hour before your facial. The purchase of a treatment is personal, non-transferable and non-refundable. The advertised duration of care corresponds to the time spent in the cabin. Our treatments and massages are not therapeutic or medical.

Contraindication

If you have a health problem (circulatory disorders, allergies, asthma or any health condition that presents a risk) or if you are pregnant, please inform the staff. Some treatments may be discouraged or prohibited. Our team reserves the right to refuse a guest if he presents dangerous or disrespectful behavior.

More information

All our products are available for purchase in the spa shop. Our team reserves the right to change prices and services and opening hours during the year (technical closure). Any client of the Spa acknowledges having read these rules.

Gift cards

Gift cards are valid for 1 year, they are nominative and non-refundable. Current promotional offers are not cumulative. In case of non-compliance with the cancellation deadlines, the gift voucher will be considered permanently lost and may not be refunded or have. No exceptions will be accepted.
